"I was going into an unnatural decline," says Mrs. Charles Lavigne, of No. 1817 Third avenue, Detroit, Mich., "and my health was seriously low when I began using Dr. Williams' Pink Pills for Pale People. They cured me.

"I was weak and thin, nervous and without appetite; took cold easily and was afraid of consumption. I could not sleep, I was always tired and worn out, my color all went away and I felt miserable.

"Good doctors treated me, but failed to do me any good, and I was discouraged about ever getting better until a friend told me of Dr. Williams' Pink Pills for Pale People. I began to take them and kept on till I had used three boxes.

"By that time I was an entirely different person. The nervousness had all gone, I could eat and sleep, I gained in weight and felt strong and well. My friends began to remark on the color in my cheeks and I told them Dr. Williams' Pink Pills had done it and had restored me to health. That was several years ago, but from that day to this I have retained my health and strength."

Dr. Williams' Pink Pills for Pale People nre of inestimable value to women when they are disturbed by fears of physical fils that make their lives wretched. They also restore to health men, women and children who are thin, pale, nervous and depreased. important Facts Have Been Recently Discovered Which Are of the Greatest Value in the Treatment of Diseases of the Stomach.

SYMPTOMS OF DYSPEPSIA

The usual symptoms of dyspepsia or indigestion are pain in the chest and discomfort in the stomach and abdomen, an accumulation of gases, frequent beiching, the rising of sour or bitter-tasting liquids, nausea in the stomach, heartburn, headache, palpitation, and, in severe cases, vomiting.

Nearly all dyspeptics of either sex stoop as they walk, and most of them droop forward as they sit. They have a forlorn, friendless appearance, become cranky and disagreeable and forget their friends. They are morose, fault-finding and irritable, have but little inclination for work, and their mental faculties are sluggish or drowsy.

and their mental faculties are sluggish or drowsy.

It is quite easy to overcome these disturbances, as there is a remedy that anyone can take without consultation and with a guarantee of cure. EUPEPSIA TABLETS will cure all stomach troubles arising from imperfect digestion. It matters not how many other remedies you have tried or how obstinate the case may be, or how long standing; if EUPEPSIA TABLETS was not a remedy on which absolute dependence could be placed, we could not afford to offer it on a strict guarantee to cure or refund the money. A trial only is needed to demonstrate the value of these tablets. They can be had at any first-class drug store or by mail for 50c a box. Our guarantee to cure holds good whether they are bought from the druggist or from us direct.

We append unsolicited letters from people who have tried EUPEPSIA TAELETS.
